Sub: Media/ Public Awareness Regarding Rural Electrification under Deen Dayal Upadhayay Gram Jyoti Yojana

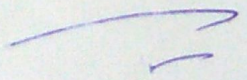

Sir,

You are already aware that Government of India has approved Deen Dayal Upadhayaya Gram Jyoti Yojana (DDUGJY) in December, 2014 for separation of agriculture and non-agriculture feeders facilitating judicious rostering of supply to agricultural & non-agricultural consumers in the rural areas, strengthening and augmentation of sub-transmission & distribution infrastructure in rural areas, including metering at distribution transformers/feeders/consumers and electrification of villages/habitations. The erstwhile Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY) has been subsumed with DDUGJY and now comes under RE component of DDUGJY. However there is a misconception in various quarters including public that electrification works in the villages is being carried out under RGGVY scheme.

To dispel any confusion amongst the public at large it is once again clarified that all rural electrification works are being executed under DDUGJY scheme only and all the funds for rural electrification are being disbursed by Government of India under common head of DDUGJY.

In view of the above, it is requested that while interacting with the media/public representatives and public/executing agencies etc., name of the scheme may invariably be mentioned as Deen Dayal Upadhayay Gram Jyoti Yojana for all rural electrification works being carried out in your State.

Yours faithfully,

Sunil Kumar
Executive Director (DDUGJY)
