Subject: Formal commencement of works under DDUGJY

Sir,

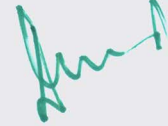

Rural Electrification works under DDUGJY scheme are sanctioned in all the States. Earlier, project proposals are formulated and consented by District Electricity Committee headed by district wise senior most Member of Parliament or Rajya Sabha. In few cases where changes in project proposals were inevitable, proposals are re-framed and are being re-consented by the District Electricity Committee.

In this matter, it is informed that works under DDUGJY shall formally start preferably from the Sansad Adarsh Gram" in presence of Public Representatives of the district. Hon'ble sitting Member of Parliament and Hon'ble sitting members of State Legislative Assembly shall be cordially invited on the occasion. In cases, where SAGY is not part of awarded project, work shall commence from location mutually decided by public representatives. All details related to approved project shall be displayed at the inauguration site like name of scheme, project cost, schedule completion period, name of working agency, name of engineer in charge and project parameters like capacity wise PSS & DRT substations, HT/LT Lines, free BPL service connections etc. In this matter kindly refer clause 4.3 General Condition of Contract of Standard Bidding Document.

This is for information and necessary action please.

Thanking you,

Yours sincerely,

Dr. Dinesh Arora, IAS
Executive Director (PMG)
