

No. REC/RE-DDUGJYY/909  
Dated: 08.09.2016

To,  
CMDs/MDs  
All State DISCOM/Power Departments

Subject: Active participation of three tier quality monitoring teams in RE-DDUGJY projects

Madam/Sir,

3-Tier Quality Monitoring Mechanism is implemented under XI Plan (Phase- I & II) & XII Plan RE-DDUGJY (erstwhile RGGVY) projects. Tier-I, Tier-II and Tier-III works are outsourced and are in place at all the places. The Ministry of Power, in its recent review has desired for more active participation of these agencies under execution of works. In this matter following is decided:

1. Quality Monitors viz. TPIA, RQM and NQM agencies shall invariably be invited to participate in review meeting of DISCOM/State Govt./REC held at state level. An agenda on quality monitoring shall be circulated in advance.
2. The status of project-wise observations on materials inspections and village inspections raised by TPIA, RQM & NQM and their compliances are to be tabled in the monthly review meeting of DISCOM/State Govt(s) by TPIA.
3. Online inspection report and tracking of its compliance under XII Plan projects are to be ensured through e\_Gauge. Any issue raised by TPIA/PIA on e\_Gauge is to be reported to REC corporate office for suitable corrective measures.

This is for information and needful action at your end please.

Yours sincerely,

(Dr Dinesh Arora, IAS)  
Executive Director (PMG)
