Ref. No. REC/DDUGJY/MQP&FQP/ 1154

Dated: 30-11-2016

To
All Project Implementing Agencies
(DISCOMs/SEBs/CPSUs/Power Departments)
RE-DDUGJY Projects

Sub: Manufacturing Quality Plan (MQP) & Field Quality Plan (FQP) for DDUGJY projects - reg

Sir,

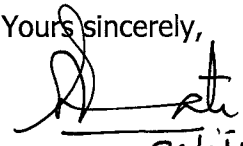

As per DDUGJY Quality Assurance Mechanism (QAM) guidelines, PIA & Turnkey Contractor has to ensure the quality of materials/equipment's supplied at site and execution of works carried out under the scheme in accordance to Manufacturing Quality Plan (MQP) & Field Quality Plan (FQP). QAM Guidelines for DDUGJY Scheme has already been sent to all Project Implementing Agencies.

DDUGJY scheme shall have single tier Quality Monitoring which shall be appointed by the Nodal Agency, in addition to in-house quality checks followed by PIA/Turnkey Contractors during the physical execution of the project.

Therefore, all PIAs are requested to prepare Manufacturing Quality Plan (MQP) for materials to be procured and Field Quality Plan (FQP) for the works to be executed under DDUGJY scheme and get it approved by the competent authority (DISCOMs/SEBs/CPSUs/Power Departments) before raising pre-dispatch inspection calls. These MQP / FQP shall be used as basic document to perform inspections.

This is for kind information and necessary action please.

Yours sincerely,

(G.S. Bhati) 30/11/16

Executive Director (DDUGJY)
