Greetings from REC. We request your kind attention on the letter cited under reference above and the subsequent discussion on the captioned subject. As you are aware that Deen Dayal Upadhyaya Gram Jyoti Yojana (DDUGJY), a flagship scheme of the Govt. of India is being implemented on 'Mission mode' for electrification of rural villages across the country and the Ministry of Power has given a timeline to electrify all the Un-electrified Villages (UEVs) of your state by May 2017. It is to mention that that out of the DDUGJY sanction for the state of Karnataka, the electrification works pertaining to 11 UE Villages in Karnataka are in the forest area. The details are enclosed at **Annexure**. To electrify these villages, forest clearance from state forest department is urgently needed as reported by the DISCOM.

In view of above, it is requested to kindly intervene in the matter and arrange to obtain the needed forest clearances associated with above project on top priority to electrify all the UEVs in MP as per the timeline given by the Ministry of Power. Your kind and valuable support on the above matter is highly solicited please.

Thanking You,

Yours sincerely,

(G. S. Bhati)

Executive Director (DDUGJY)
