DISCOM(s)/SEB(s)/CPSU(s)/Power Department(s)
DDUGJY New Scheme

Subject: Inspection of materials under DDUGJY new projects.

Ref: i) REC letter No. DDUGJY/MQP&FQP/16-17/1154 dated 30-11-2016

Sir/Madam,

We have been receiving number of calls for pre-dispatch inspection of materials under DDUGJY new scheme from project implementing agencies (PIA). However, requisite documents like purchase order, approved Manufacturing Quality Plan (MQP), approved Technical Specification, approved GTPs, approved Drawings and approved Data Sheet are not shared with quality desk of REC, to enable us to carry out inspection. Since, requisite documents are not shared along with inspection calls; REC is unable to depute inspectors/officials for witnessing pre-dispatch inspection of materials at the premises of manufacturer(s). In order to avoid delay in deputing inspectors by REC, PIAs are requested to offer materials for inspection with following documents:

- 1) Approved Manufacturing Quality Plan (MQP) for materials to be procured under the scheme.
- 2) Approved Technical Specification, approved GTPs, approved Drawings and approved Data Sheets
- 3) An inspection requisition in prescribed format (copy enclosed) giving 5-6 working days' time for deploying inspector.

While on subject, PIAs are being informed that Technical Specifications finalised by Committee-A are to be used without any variations for all type & sizes of Power Transformer(s), Distribution Transformer(s), Conductors and Cables. Also, booking of expenditures under DDUGJY new scheme would require compliance to the condition that REC shall be associated in joint inspection of materials before dispatch.

This is for kind information and needful action by project implementing agencies please.

Yours sincerely,

(G S BHATI) 29/3/17

Executive Director (DDUGJY/QA)

Copy for kind information to:

1. CMD/MD/Chief Engineer, Project Implementing Agency (ies), DDUGJY New Scheme.
2. Zonal/Chief Project Manager, REC Zonal/Project Office (s).
