Greetings from REC. We request your kind attention to the letters cited under reference above and the subsequent discussion held during the review on the captioned subject. In this connection, it is to mention that out of the DDUGJY sanction for the state of Assam, there is an inordinate delay in electrification of 32 UE Villages in two districts viz., Cacher (30) & Sonitpur (2) in Assam which are located in forest area. The details are enclosed at **Annexure**. To electrify these villages, forest clearance from state forest department is urgently needed as reported by the DISCOM. Time and again the above issue was flagged by the Ministry to expedite in getting the forest clearance and to electrify these villages as per the target given by the MoP.

In view of above, it is once again requested to resolve the above issue on **top priority** to expedite in electrifying all the UEVs in Assam as per the timeline given by the Ministry of Power. Your valuable support on the above matter is highly solicited please. It is requested to arrange to communicate the action taken in this regard to us in order to appraise to the MoP at the earliest please.

Thanking You,

Yours faithfully,
