Dr. Dinesh Arora mentioned that agenda notes were circulated one week in advance with actionable points and States were advised to bring a small presentation on the updated status of the PFA implementation, defined timelines and milestones and any deviations from the planned milestones based on the circulated agenda.

Special Secretary, MOP expressed serious displeasure about the absence of Secretary (Energy) Rajasthan as well as lack of communication on his absence. He mentioned that till date GoR has not signed the PFA document. Officials of only Jaipur DISCOM were present and they have not been able to communicate their concerns or requests from the GOI or any ministry in particular like MoEF or MoPG. Though agenda notes were circulated one week in advance, the officers are not ready with their presentation on the requisite details.
